

CROCHET FOR REACH!

Thanks for volunteering your time and talents to help raise money for The REACH Fund of Connecticut!

Last year, one of our board members hand made dozens of crochet uterus and whales for REACH to help fundraising efforts at community events. (*Why whales? The sperm whale is the official state animal of Connecticut!*) These items are super popular and we want to have them available at events in 2024 - which is where you come in!

PATTERNS:

Angry Uterus: <https://knottooshabbycrochet.com/free-angry-uterus-amigurumi-pattern/>

Sperm Whale: <https://www.popsdemilk.com/shop/p/crochet-sperm-whale-amigurumi>

No-Sew Whale: <https://www.stitchbyfay.com/no-sew-whale-crochet-pattern/>

These patterns can be used with any type yarn - blanket yarn makes the cozy, big plushies, and worsted yarn makes smaller versions! Feel free to get creative with colors and texture!

For the eyes: safety eyes can be used, but please make sure they are securely fastened. Other options are embroidered eyes or even puffy paint.

If you have another uterus or whale pattern you like to use, do it!

WHEN YOUR CREATIONS ARE COMPLETE:

Mail to The REACH Fund of Connecticut, 654 Main Avenue #1037, Norwalk, CT 06851
